**P**roducer extraordinaire but also goes by the name S.Villa. Singer, Rapper, Producer and songwriter and one of the most talented artists to come out of South Africa. The Durban artist is originally from Johannesburg where he grew up but relocated soon after completing

matric at Task Academy High School. There is no doubt that music is his call as he has been singing since he was a toddler and used to gather around with his whole family and sing old church hymns until the wee hours of the night. S.Villa is talent personified and a true legend in

the making. Endowed with amazing writing skills, Villa is behind the banger “Bheka ina Ngeda” by Yung Royalz which received which received critical acclaim and still enjoys massive airplay on major radio and TV stations including MetroFM, Ukhozi Fm and Gagasi to name a few.

Villa firmly believes music lovers are in for a pleasant surprise as he will be taking them on a musical experience that will leave an everlasting impression. His music is a potpourri of different genres and sounds that will showcase his multidimensional production, singing and rap skills. He credits his inspiration to past and living legends including Chicco Thwala, 2pac, Anthony Hamilton, Soul Brothers, Baby Face, Vuyo Mokoena, Nathi Mankayi to name a few. His love for music production dates way back in 2006 when would hang out at the old computer club house in Newtown every day after school and from then onwards, the Young Quincy as he is sometimes known was born.

# FUTURE PLANS

---

Villa has his eyes on conquering the world, and will kick off an ambitious schedule that will see him traverse the whole of South Africa in 2017 and going on a massive tour with full production in 2018. He also plans to do collaborations with local and international artists and producers to create quality music and videos to go with. Villa plans to do a collaboration with an artist in the African countries that he will be touring.

He has now joined award winning record label Ambitiouz Entertainment and is currently in studio creating a masterpiece such that if he never records another album again, it will still be remembered by many in years to come.
